

Hello future camper!

This is a little book of what to expect when you come to camp. We can't wait to see you there!

♥ Leslie, Mario, & Yaa

**PROJECT
KINDRED**

BREAKING BARRIERS, BUILDING BRIDGES.

Project Kindred is
a super fun
summer camp!

You get to come here for a week
and do fun activities, eat together
in the dining hall, and meet new
friends!

Lots of kids go to camp every year, and it's totally normal to be a bit nervous. Even some of our counselors are nervous!

There are lots of fun activities to do here, and everyone usually finds at least a few things they like. You'll have a chance to meet kids who could become your friends, try camp activities like the ones in all these photos, and feel proud of who you are!

At camp, you can find out exactly what is happening, because we show everyone what to expect on a schedule. Everyone has different interests at camp and that's okay. We don't make people try activities they don't want to do, and campers can always watch first before they try.

Breakfast

Adventures (fun group activities)

Lunch & Rest Time

Kindred Time (fun, meaningful chats with your cabin)

Lake Party!

Camper Clubs (you're the leader!)

Dinner & Evening Program

Bedtime!

arts & crafts

sports

go canoeing

WHAT WILL WE DO AT CAMP?

tree climbing

shoot archery

tie-dye

WHAT ELSE WILL WE DO AT CAMP?

make s'mores

go swimming

Lots of people love summer camp for all the fun things they can do here that they can't do at home or at school. Which activities look like fun to you?

These are photos of the cabins where you'll sleep! There will be other campers and counselors in the cabins, too.

Every cabin has air conditioning, heat, and outlets for fans. We also have lights outside the cabins to help us walk back at night!

This is where we take showers and use the bathroom. They are separate from the cabins, but just a quick walk away!

We can use them whenever we want, and they're cleaned every day.

We also have a single-stall bathroom and shower!

This can be used by anyone and is located inside of our health lodge.

And this is our fire pit!
This is where we hang out as an entire camp.

We start and end each day here!

Here is where we eat all of our meals!

If it gets too loud in here, there are tables outside where you can eat with a counselor.

We always write our meals for the day up here so we know what's coming!

Our meals are different each day. You'll get a lot of choices about what to eat! Some days we eat chicken nuggets, pizza, or stir fry.

At every meal, we have a station with other food you can choose from too. This could be sandwiches, fruit, yogurt, and more.

We also always have snacks available in the dining hall that you can have whenever you get hungry.

**WE CAN'T WAIT TO
SEE YOU THIS
SUMMER!**
